ACADEMIC PROJECT

Title : A study on Inventory Management With reference to Coastal Laboratories Pvt Ltd.
Tenure : Nov-2018 to April-2019
Objective : To Analyze the efficiency of Inventory Management of Costal Laboratories.

Project Description :

- “Inventory” means physical stock of goods, which is kept in hands for smooth and efficient running of future affairs of an organization at the minimum cost of funds blocked in inventories
- Inventory control is vitally important to almost every type of business, whether product or service oriented.
- A proper balance must be struck to maintain proper inventory with the minimum financial impact on the customer.
- In manufacturing since the focus is on physical product, inventory control focus on material control
- The fundamental reason for carrying inventory is that it is physically impossible and economically impractical for each stock item to arrive exactly where it is needed, exactly when it is needed.
